

## Sunseeker Predator 82

**Sunseeker Predator 82** - 2006 - rarely is it possible to find a yacht from 2006 which has had only one owner from new, has very few engine hours and is capable of speeds in excess of 45 knots! This immaculate four cabin sports yacht has been meticulously maintained by the same crew since it was new. VAT paid and loaded with extras and at a very sensible asking price. The Sunseeker Predator 82 is a very sought after model when equipped with the twin 2,400 HP MTU's.
